Named after Cecil Rhodes, Southern Rhodesia was to be formed as part of the scramble for Africa and in particular the competition between the Boers and British for domination in Southern Africa. However the lands were under the control of the powerful Matabele tribe and their chief Lobengula. They had also subjugated a smaller tribe known as the Mashona.

The land was very high quality for Africa. Despite being so far north and in the tropical zone, it was on a high plateau. This meant that the temperature was more comfortable and that it would support the growing of western style crops. The di Southern Rhodesia - Micronation, Upper Hutt, New Zealand. 277 likes.
