No part of this book may be reproduced, scanned, or distributed in any printed or electronic form without permission. I do not fear beaches, only the water that edges them. Beaches themselves I love with their salty scents and the thick, crawling serpents of seaweed that slither across them. Here there is driftwood worn smooth by the water. Here there are great boulders to climb. Here an eagle flies high in the air and a seagull caws and a dead salmon lies in the cold harsh sun. Edge of Dark Water is a murder/mystery novel written by American author Joe R. Lansdale. It was published by Mulholland Books in March 2012. A limited edition has been issued by British publisher PS Publications.[1][2][3] It was recognized as a Booklist Editors' Choice: Adult Books for Young Adults by the American Library Association.[4]. Contents. 1 Plot summary. 2 Editions. 3 References. 4 External links. Plot summary. In the first book 'The Edge of Nowhere', we meet Becca a 15 year old girl from San Diego. We find out Becca's step father has killed his business partner. So Becca and her mom make a run for it.Â· I really enjoyed the novel, The Edge of the Water. Honestly, to simply tell what it is about would not do it justice. Umm, so these teens live on this island in the Northwest, and there is this seal that keeps visiting every year. The whole town is obsessed with the seal. Some want to protect it at all costs, some want to kill it, and some want to exploit it. This type of plot is normally not my cup of tea (I mean seals?), but throw in a love triangle, a poor girl trying to find her way out of I really enjoyed the novel, The Edge of the Water. Honestly, to simply tell what it is about would n Review. Praise for The Edge of the Water: "So many questions and secrets swirl around Whidbey Islandâ€”This is the second installment in what appears to be a series but one need not have read the first book to be engrossed...a riveting story and since many questions remain unanswered, readers will be eager for the next installment.â€”When it comes to this series, with scenes that draw you into a remarkable world, itâ€™s easy to state that readers will remember Whidbey for decades to come. George has scored an â€œA+â€ again. With discoveries being made and new characters arriving on the scene, waiting for book number three is going to take an incredible amount of patience. Bravo!â€”Suspense Magazine. "A ripping good thriller" &quot;School Library Journal."
