This volume, The Colonial Period to 1877, illuminates the early period of American history, from the colonial warfare of the 17th century through the tribulations of Reconstruction. The chronologically organized sections each begin with an introductory chapter that provides a concise narrative of the period and highlights the scholarly debates and interpretive schools of thought in the historiography, followed by topical chapters on issues in the period. With authoritative and vividly written chapters by both leading scholars and new talent, this state-of-the-field handbook will be a go-to reference for every American history scholar's bookshelf. Year: 2014. United States History books at E-Books Directory: files with free access on the Internet. These books are made freely available by their respective authors and publishers.
