Abnormal Psychology: This text originated from a collaboration between Dr. Caleb Lack and students at the University of Central Oklahoma and Arkansas Tech University. Over 300 students have spent eight semesters and thousands of hours in contributing to this wiki. This text is an alternative to the often quite expensive textbooks used in most undergraduate abnormal psychology courses by creating a user-driven, interactive online text. Table of Contents. The Nature of Psychopathology and Abnormal Psychology. The Nature of Mental Disorders. Key References. Abnormal Psychology book. Read reviews from world’s largest community for readers.
