But we were mostly contrarians, or it was a general lefty feeling. Read. It's a good question. In a sense they are curious in that they went on with communism after the Russians had given it up so it was local, in that it wasn't imposed by Russia. But there is something in common between all communist countries. Thus the Communist trajectory, as The Black Book traces it from Petrograd to the China Seas, inevitably suggests that ideology, not social process, fueled the movement's meteoric rise, and that ideology's practical failure produced its precipitate fall. This book is one of the first attempts to study Communism with a focus on its criminal dimensions, in both the central regions of Communist rule and the farthest reaches of the globe.
