
Mack and Leeann's guide is definitely a valuable addition to the newly emerging flood of books about Short Term Missions. What makes their contribution distinct is their understanding of Short Terms as a valuable part of God's mission to the world, rather than simply as a "farm league" for potential long-term missionaries, or as a way to enliven a stagnating youth group. STM's are more than light entertainment for bored high-school students, and Mack and Leeann communicate this effectively and practically in this concise and readable guide. Chapter after chapter conta A short-term mission (STM) is the mobilization of a Christian missionary for a short period of time ranging from days to a year; many short-term missions are called mission trips. The short-term missionary is a fairly recent innovation in the global missions movement, but many short-term missions agencies are seeing an increased number of trips that consist of a week up to a year. Yet it has not avoided problem areas, and so brings a realistic and honest perspective to this exploding movement. The biblical illustrations and [the Stiles's] personal stories from their wide experience means this is a must-read book for everyone going overseas." He is the author of Speaking of Jesus and coauthor with his wife of Mack and Leeann's Guide to Short-Term Missions. Stiles is a pharmacist based in Lexington, Kentucky. With her husband, Mack, she has codirected more than a dozen short-term mission trips in Kenya, the Middle East and Central America. Product details.
