Electronic books are becoming more and more popular. Some people say that e-books are going to replace traditional books in the future, while others are convinced that print books will never disappear. E-books are making their way onto the world's markets. However, most people still prefer traditional print books. They say that the device for reading e-books is rather expensive and one needs access to the Internet to download them. E-books may cause problems with eyesight because it is rather tiring to read from the screen. The American Libraries collection includes material contributed from across the United States.
