There are more than 200 countries in the world and even more nations. The world is open now and at your work, during your business trips and studies or just through the Internet you can be involves in the multicultural communication. Someone thinks that for efficient conversation good communicational skills and language proficiency (usually, in English) are enough. However, it's not is easy. Knowi. Beyond Your Doorstep. A Handbook to the Country. Hal Borland. Drawings by Peter Parnall.Â THIS IS A BOOK ABOUT the outdoors, the natural world where plants grow, birds sing, insects buzz, fish swim, and animals live out their lives with little help and only moderate interference from man. It is primarily about the countryside, not the wilderness; countrysides are common and within the reach of almost everyone, but wildernesses have become rare and usually are remote. Book Overview. This description may be from another edition of this product. "This is primarily a book about the outdoors, the natural world," writes Hal Borland. "It is primarily about the countryside, not the wilderness; countrysides are common and within reach of almost Product Details. Format:Hardcover. Language:English. ISBN:0394416775.
