The United States Coast Guard (USCG) is the coastal defense and maritime law enforcement branch of the United States Armed Forces[8] and one of the country’s seven uniformed services. The Coast Guard is a maritime, military, multi-mission service unique among the U.S. military branches for having a maritime law enforcement mission (with jurisdiction in both domestic and international waters) and a federal regulatory agency mission as part of its mission set. The modern Coast Guard was formed by a merger of the Revenue Cutter Service and the U.S. Life-Saving Service on 28 January 1915, under the U.S. Department of the Treasury. Add your two cents. Special Operations (SOF) units including 4,000 deputized National Guard soldiers acting as US Marshalls, have served indictments on, or were about to arrest 67% of Congress. Early Mon. morning 25 Jan. between 3 and 6 am Military vans, buses and police cars, along with a multitude of police and Military troops, were very busy at a blacked out White House. It was likely that rolling blackouts would occur in other areas of the country as arrests were being made. Communications would be cut off for a short period of time. There’s some mayors, governors and judges out there with their names on some of the over 222, 286 sealed indictments filed in federal courts across the nation since Trump took office in 2016.
