A Very Frutefull and Pleasant Boke Called the Instruction of a Christen Woman in aedibus Thomas Bertheleti, 1541 1541 Juan Luis Vives

In preparing a book of etiquette for ladies, I would lay down as the first rule, "Do unto others as you would others should do to you." You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be impolite. 

Very young girls are apt to suppose, from what they observe in older ones, that there is some particular manner to be put on, in talking to gentlemen, and, not knowing exactly what it is, they are embarrassed and reserved; others observe certain airs and looks, used by their elders in this intercourse, and try to imitate them, as a necessary part of Christian Devotions designed just for the Homeschool Mom. Topics include Biblical Parenting, Biblical Marriage, and Bible Studies just for mom.

True Confessions, we are way past littles at our house, but this book looked too good to pass up. And while our grands live half a country away, I know that theyâ€™ll love getting a copy of this fun and interesting devotional for Christmas! It will be a perfect gift for the littles in your life as well! We want to exhibit Traits of a Godly Woman, but how can we do that? We are discussing all that together.
