The United Nations (UN) is an intergovernmental organization that aims to maintain international peace and security, develop friendly relations among nations, achieve international cooperation, and be a centre for harmonizing the actions of nations. It is the largest, most familiar, most internationally represented and most powerful intergovernmental organization in the world. The UN is headquartered on international territory in New York City, with its other main offices in Geneva, Nairobi, Vienna. He picks the best five books on the United Nations. Buy all books. Read. The other thing is that her previous book was about the United States and genocide, and particularly she wrote about Rwanda, and why everybody in Washington didn’t want to intervene in Rwanda, and why they allowed the genocide there to happen. But in the course of her reporting and academic career, she had got to know this man, Sergio Vieira de Mello, who was a Brazilian, brilliant UN official. Take the United Nations Department of Economic and Social Affairs 2020 survey of its publications and databases to let the United Nations know your views on these resources! The questionnaire concerns awareness and use of UN DESA publications; influence of UN DESA publications; translation, access and sharing of UN DESA publications; and demographics. The Yearbook of the United Nations—published by the Department of Global Communications—stands as the authoritative reference work on the activities and concerns of the Organization. Based on official UN documents, the Yearbook provides comprehensive coverage of political and security matters, human rights issues, economic and social questions, legal issues, and institutional, administrative and budgetary matters.
