Brown in 1919, which might stand as the beginning of the modern study of Indian folktales (Brown 1919). Baital Pachisi is believed to be one of the oldest vampire stories from India. King Vikram once promised a tantric sorcerer that he’d capture a baital (a spirit with vampire like qualities) and bring it to him. The deal between the two was that if at the end of every puzzle, Vikram was unable to answer the question correctly, the spirit would willingly be taken prisoner.
