The following list of Bible prayers is from the Dake Annotated Reference Bible, King James Version (Used by Permission â€“ Dake Publishing). Dake found 176 prayers in the Old Testament and 46 in the New Testament. They include only actual worded prayers, not references to prayer.Â Besides the actual worded prayers in these 31 books of the Bible, there are many passages in them, as well as in some of the 35 books containing no prayers, that give much instruction on the subject of prayer. It is thought by some that there are a number of prayers in the epistles, but in reality, these books contain only statements to Christians regarding the apostles praying for them that God would bless them, or they give instructions for Christians to pray and tell them what to pray for.
