A book which is thoroughly enjoyed by our 14 mo. old. The vivid pictures, rhyming text and simple yet sweet story all combine into a winning mix. Just a couple of lines of text every other page make this an easy read for toddlers with a short attention span. This book never sits on the bookshelf. It is the first book she reaches for in the morning and the last one read at night. We are looking forward to reading more about the adventures of Little Bird, Biddle Bird. Strongly recommended.
