See the complete Housemates series book list in order, box sets or omnibus editions, and companion titles. 4 Books. #1. Housemate seems to be merely one of the many trendy terms being tossed around these days. Here are possible reasons for this word's existence: A) Perhaps it's supposed to have less of the negative stigma that the word "roommate" seems to carry with it. B) housemate. This term, commonly used by college-age students, is someone you share a house with (or, less commonly, an apartment). These people were, to my knowledge, formerly known as "roommates," in virtually all contexts. - Chatterbooks Book Blog. "This has definitely been my favorite book of this series, it had everything I hoped for and more. It definitely surpassed all my expectations for Max's story, Kendall Ryan has outdone herself with Max and Addison's book and I am stoked to get my hands on The Soul Mate." - Reflections Of A Book Geek. "This is a wonderful book! These two are explosive. The characters, writing, everything is phenomenal. The House Mate is definitely a must read." - Michelle, A Naughty Book Fling.
