You are about to have a conversation with God. Yes, yes. I know...that's not possible. These conversations are still going on as I write this. And much of it is found on the pages which follow...pages which contain an astounding dialogue which at first I disbelieved, then assumed to be of personal value, but which I now understand was meant for more than just me. It was meant for you and everyone else who has come to this material. Especially this you ignore. Your world would not be in its present condition were you to have simply listened to your experience. The result of your not listening to your experience is that you keep re-living it, over and over again. For My purpose will not be thwarted, nor My will be ignored. God and the World book. Print-friendly version. Seewald: We are used to thinking of suffering as something we try to avoid at all costs. And there is nothing that many societies get more angry about than the Christian idea that one should bear with pain, should endure suffering, should even sometimes give oneself up to it, in order thereby to overcome it. "Suffering", John Paul II believes, "is a part of the mystery of being human." Why is this? Cardinal Rat Conversations with God (CwG) is a sequence of books written by Neale Donald Walsch. It was written as a dialogue in which Walsch asks questions and God answers. The first book of the Conversations with God series, Conversations with God, Book 1: An Uncommon Dialogue, was published in 1995 and became a publishing phenomenon, staying on The New York Times Best Sellers List for 137 weeks. The succeeding volumes in the ten book series also appeared prominently on the List.
