Independence Day, often called the Fourth of July, is a public holiday that celebrates the birth of American independence from Britain with the adoption of the Declaration of Independence on July 4th, 1776. How do Americans celebrate Independence Day? What activities do they participate in? How do they dress? What food do they eat? Independence day is celebrated to mark the independence of our country from the British rule and Republic day celebrated to mark the coming into force of the Indian constitution. We should every year observe our Republic Day with all sincerity on the 26th of January. Because this observance will remind us of our sacred duty to guard our Constitution.
