By using the Webster's German Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in German or English. Webster's edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to difficult, yet commonly used words. Rather than supply a single translation, many words are translated for a variety of meanings in German, allowing readers to better grasp the ambiguity of Webster's thesaurus edition for PSAT®, SAT®, GRE®, LSAT®, GMAT®, and AP® English test preparation.
