The Epistles to the Ephesians, also called the Letter to the Ephesians and often shortened to Ephesians, is the tenth book of the New Testament. Its authorship has traditionally been attributed to Paul the Apostle but starting in 1792, this has been challenged as Deutero-Pauline, that is, written in Paul’s name by a later author strongly influenced by Paul’s thought, probably “by a loyal disciple to sum up Paul’s teaching and to apply it to a new situation fifteen to twenty-five years after the Apostle’s. The Epistle to the Ephesians gives us St. Paul's gospel of the Catholic Church. So far from being a man of one idea, St. Paul fascinates and sometimes bewilders us by the intricacy and variety of his thoughts; but like the innumerable leaves and twigs of some finely-grown tree which emerge, all of them, through branches and boughs, out of one great trunk, strong and straight, and one deep and firmly-set root, so it is. A party of Christians having their centre at Jerusalem had been trying â€œin spite of the decision of the apostolic council at Jerusalem â€œto reimpose upon the consciences of Gentile Christians, and with especial success in the Galatian province, the obligation of circumcision; or in other words had been trying to make it evident that the Church of God was as much as. The Epistle of Paul to the Colossians (or simply Colossians) is the twelfth book of the New Testament. It was written, according to the text, by Paul the Apostle and Timothy to the Church in Colossae, a small Phrygian city near Laodicea and approximately 100 miles (160 km) from Ephesus in Asia Minor. Scholars have increasingly questioned Paul’s authorship and attributed the letter to an early follower instead. The authenticity of the letter, however, has been defended with equal strength. If Paul was
