
Day Hikes of the Smokies covers 34 of the best day hikes in the park, plus all of the self-guiding nature trails. Includes shaded relief maps for each hike plus accurate elevation profile charts. Visit Great Smoky Mountains National Park's official online store for other books, maps, and guides to the park. Operated by the nonprofit Great Smoky Mountains Association, proceeds generated by purchases at the store are donated to educational, scientific, and historical projects in the park. Last updated: July 17, 2019. Contact the Park.

This hike is the epitome of the old adage, "You reap what you sow." You will burn a lot of calories on the climb to your destination, but the view is as good as views get. Leave the lowlands via Lead Cove to intersect Bote Mountain Trail up to the Appalachian Trail, pass through Spence Field, and climb further still to the storied Rocky Top. If you are looking for great "day and overnight hikes" in the smokies, this book is fabulous. It compares the trails by solitude, scenery, difficulty, and more, helping you pick a trail that you're bound to like. With over 900 miles of trails in this national park, his knowledge of the Smokies environment, writing style, and accuracy has, once again, impressed me. You can tell that the writer himself has a love and appreciation for these mountains. The Great Smoky Mountains National Park is the most popular National Park in the country and hosts well over ten-million annual visitors. Still not impressed? It gets more annual visitors than the Grand Canyon, Yosemite, and Yellowstone combined. This beautiful mountain range reaches towering heights of nearly seven-thousand feet, but is famous for its magical, smoky haze. Why not spend a day touring Cades Cove and exploring the history and beauty of this pioneer community? When you're done, meander down Little River Road and let the beauty all around you soak in. National Park Survival. Millions go hiking each year, but not all return safely. Top Trails: Great Smoky Mountains National Park: 50 Must-Do Hikes for Everyone. Johnny Molloy. 4.6 out of 5 stars 117. Paperback. $14.99. Great Smoky Mountains National Park (National Geographic Trails Illustrated Map, 229). This is a pretty good book for those who are unfamiliar with the smoky mountains. I did not find it as helpful as I thought I would since I have hike many of the trails and was pretty familiar with the park. It has some great day hikes and a few over night hikes listed in here. One nice thing is that it show the elevation change over the trail, which is great for figuring out how tough the trail will really be. Overall I found this book to help with planning some new day hike loops and over night hikes. Read more. 3 people found this helpful.
