About life after the bombs. New World Audio-book. Hey Folks! So, New Worldâ€™s audio-book is almost finished and up on audible - If youâ€™d like to listen See more. CommunitySee all.Â New World is based in a post-atomic war Britain and follows an adventurer exploring the new tribes formed after the government collapsed. This story is inspired by post-apocalyptic fiction and gives an odd perspective on the premises of the genre. Â Book 1 deals with life before the bomb, the bomb and the immediate aftermath. Book 2 covers the first few days after the bomb. Book 3 addresses the next several days after that. Gen and his stand-in brother Ryuta spend much of this volume searching for food and caring for a man that has "A-Bomb disease" and is being alternately ignored or abused by his own family. Near the end of this third book, the Emperor announces his surrender on August 15, 1945. It is broadcast over the radio and the kids watch as the adults are either saddened or angered. Facing rejection, hunger and humiliation, they come to realize that they still have - and can share - self-respect, hope, and inner strength. Volume four, resumes nine days after the bomb, as Gen and his mother continue to struggle for food, shelter and water amid chaos and vast human suffering. Though confronted with the most despicable aspects of humankind, Gen acts with love and compassion.
